The ever popular Knowsley Flower Show is celebrating its 15<sup>th</sup> anniversary this year.

It's on Sunday August 4 in Court Hey Park in Huyton. The centrepiece, as always, will be the floral marquee that should be full of exhibits.

There are classes suitable for anyone, every age and ability and some special classes for children and teenagers.

**The show runs from 11am-5pm and is the largest free horticultural show of its kind in the North West.**

There'll be a community and charities marquee and groups are invited to take a table at a cost of £40. Craft stalls are also welcome.

There will also be a Food for Thought marquee sponsored by the Love Food Hate Waste campaign. This will include lots of advice and recipes to encourage people to cook from scratch and not waste food.

There will also be a Change 4 Life stand, where there'll be lots of tips on how to lead a healthier lifestyle. The Main Arena this year will once again have H&M Dog Display, and for the first year Guide Dogs for the Blind and Mersey Morris Men strutting their stuff!

**There is limited car parking on site, so residents are urged to use the free shuttle buses operating in and around Knowsley. See website for timetables – [www.knowsleyflowershow.com](http://www.knowsleyflowershow.com)**
